Dear Parents & Carers

We have been made aware of a real and particularly nasty viral post going around on TikTok and other social media sites. TikTok are dealing with the situation and it should be cleared within the next few days. As you can imagine, this may be highly distressing for the children to view. We encourage you to be vigilant when your child is using any device or watching any clips, and in the next few days we would strongly advise that your child stops using TikTok temporarily.

For information on being safe on TikTok please click the following link:

We also have an extensive range of Online Safety guides available on the school website:

If you are unsure about any of the content of this letter or would like further advice on how to manage your child's online presence, please do not hesitate to contact the school for further support and information.

Please do not be afraid to ask.

Best wishes

Laura O'Leary
Acting Headteacher
