Individual Problems

Learning Support staff will make individual arrangements to help students with difficulties before school, at break, lunchtime or after school.

Tutorial Intervention

Learning Support staff provide help in Tutor time. This is for invited students only and takes place after registration.

Recommendations for these sessions are made by staff at Robert Sutton, students or parents. Such sessions would be for students we could not normally cover in lesson time or for students who need additional help to that which we provide in lesson time or for those who dislike extra help in lesson time but acknowledge that they need some extra support with their work.

A whole range of areas are covered. For example:

- Reading
- Spelling
- Handwriting
- Pre teaching vocabulary
- Organisation skills
- Keyboard skills
- Homework help
- Mentoring
