

LO/JT/754
March 2021

Dear Parent, Carer and Students,

The wider reopening of school to all students on 8 March 2021

I am absolutely delighted to confirm that school will be open to all students from 8 March 2021! For full details please find enclosed our reopening schools guide.

We just want your child(ren) back in school so we can crack on with teaching and learning. We will follow all the government's guidance to prevent the spread of the virus, including the compulsory wearing of masks in all classrooms where two-metre social distancing is not possible. I am sure that you will support us in this regard as we work hard to open school safely for everyone.

Testing using Lateral Flow Tests before returning to school

You can book your child's first test following the links below -

I would like to thank staff, students and families for what has been an excellent collective effort since the start of January. Whilst working at home and online is of course no substitute for being in classrooms I think the quality of provision we have been able to provide has been of a very high standard and the effort put in and progress made by students has been admirable.

We thank you for your continued support during this very challenging time.

Kind regards
